Dear Ms. Best:

After further review of your request for “Records describing, authorizing or mentioning expenses or personnel assignments in response to or accommodation of visits from officials in the federal government between January 1, 2001 and the present” it was determined clarification is needed. It is not clear exactly what records you are requesting. Pursuant to Idaho Code 74-102 (9), I ask you to please narrow your request or make your request more specific.

Thank you,

Amy Jordan
